# CashAccSys Grande

## With G+D BVM Deposit Device
### Datasheet

**CashAccSys**
**Cash Acceptance Systems**

**The CashAccSys Grande is a secure on-line cash-receiving terminal.**

The CashAccSys Grande has a bag capacity of up to 20 000 notes and is available as a SABS categorised safe. Integrated with the new OEM Giesecke + Devrient BVM 120 note counter. The CashAccSys Grande is perfectly suited to the African and Asian market where note value is low or international markets where multiple currencies are handled as well as high cash volume clients. The CashAccSys Grande can count and validate up to five currencies simultaneously providing complete cash 360 overview for retailers, banks, exchange companies and duty free.

### Key Features
